

## **CGMS LIST-SERVERS**

*(Submitted by WMO)*

---

### **Summary and purpose of document**

To inform CGMS of the status of CGMS list-servers.

---

### **ACTION PROPOSED**

CGMS members to review the list of available list-servers and update as appropriate.

**Appendix:** CGMS list-servers

## DISCUSSION

1. In order to allow CGMS Members to communicate via email in specific topical areas, the WMO Secretariat currently maintains several CGMS list-servers. A list-server allows anyone on a list to send an email message to everyone on a pre-defined list automatically without any intervention.
2. In order to continue email capability for CGMS, the lists of email addresses in the Appendix should be checked and updated as appropriate.
3. As an example of a list-server, if an email is sent to [cgmsplen@www.wmo.ch](mailto:cgmsplen@www.wmo.ch) it will automatically be resent to the following list
