

CGMS-XXX WP-IND-01
Prepared by India
Agenda Item: A.5
Discussed in Plenary

**REVIEW OF ACTION ITEMS
RESULTING FROM CGMS-XXIX**

This paper contains list of action items on India arising out of last CGMS meeting (CGMS-XXIX) and their current status report.

Status

- Action 29.02 At present we have no plans for flying such instruments on next generation geostationary satellites. However, this possibility will be explored at a later date when plans for flying new payloads on future satellite are considered.
- Action 29.12 India has completed this action item.
- Action 29.13 -do-
- Action 29.26 India has no contribution to make on this item.
- Action 29.31 We have not done this monitoring. Hence we have nothing to report on this.
- Action 29.41 -do-
