

NOMINATION OF CGMS REPRESENTATIVES AT WMO AND OTHER MEETINGS

(Submitted by WMO)

Summary and purpose of document

This document presents a list of WMO meeting(s) to which CGMS will be invited within the next year.

ACTION PROPOSED

CGMS to nominate a representative, as appropriate, for each WMO meeting.

DISCUSSION

1. The following list of WMO meeting(s) will occur between CGMS-XXXIII and CGMS-XXXIV. CGMS should nominate a representative for each meeting as appropriate.

- Fifty-eighth Executive Council of WMO (EC-XLVII), Geneva, 20-30 June 2005.

2. Although CGMS is not invited to the WMO Consultative Meetings on High-level Policy on Satellite Matters, satellite operators are invited in their own right. Thus, CGMS satellite operators may wish to note that the Sixth session of the Consultative Meetings on High-level Policy on Satellite Matters will be held in Buenos Aires, Argentina, 16-17 January 2006.
